

The Greatest Adventure

The **START**

Community Group Guide

CONVERSATION STARTER

On Sunday, we introduced a new sermon series and study together called the Great Adventure. Through this series we will be exploring basic theology (study of God) and discovering how God has woven together the Greatest Adventure of knowing and living with Him. As we you heard about this new series, what do you hope to learn about God, theology, or life through this time?

Tonight we want to talk more about how the Greatest Adventure starts with God and how that impacts our view of life.

GETTING INTO THE SCRIPTURES

Please read Genesis 1:1-2.

How does the opening statement of the Scripture orient the story of the Bible?

Please read 1 John 4:7-10.

What do these verses tell us about the nature of God?

How is this meant to shape our view and understanding of God?

JOINING IN THE GREAT ADVENTURE

How do you personally resonate with the human longings (examples: community, relationship, humility, peace) rooted in God as the source of life?

What aspects, habits, or thoughts lead you away from God the source to a self-centric view of life?

How do you believe the Lord might be leading you to discover God more deeply? (Think practically in things like prayer, study, pathway groups, etc.)
