

The Greatest Adventure

The **WAY**

Community Group Guide

CONVERSATION STARTER

As our time looking at the Greatest Adventure moves toward the end, we want to take some time to look at what it means to worship and walk with Jesus in our part of the adventure.

Where do you see worship as a common practice outside of the church today?

GETTING INTO THE SCRIPTURES

Please take some time read Hebrews 13:15-17.

In these verses, what are some of the ways that worship is described?

Looking at your answers to the questions above, what do these avenues of worship look like in our lives today?

As we consider the entirety of our faith, how does the Gospel of Jesus move us from law-based worship to grace-based worship? What does this mean for our faith in daily life?

JOINING IN THE GREAT ADVENTURE

Based on the sermon and our discussion tonight, how has your understanding of worship been changed or enriched?

What situations in life do you find it easier to worship? And when is it a struggle?

As Christians, we believe that Jesus is worthy of our worship. He is worthy for a variety of reasons. As a group please take a few moments in quiet (or with music playing) to reflect on why you believe Jesus is worthy of worship and then share them with the group.
