

PRAYER + MISSION

The Heart of Mission
April 29

Open

What is the craziest thing you have ever done? Or maybe the most out of character thing you have ever done?

What did you learn about yourself in that experience?

When we encounter the audacious love of Jesus it changes us and calls us to live a radically different life. Tonight we will be discussing why that is and what it means for our lives.

Reflect

Please read about one man's life who was changed by Jesus in Luke 19:1-10.

What did it mean culturally to be a tax collector in Jesus day?

What do we learn about Zacchaeus by the fact that he ran to find a place to see Jesus?

Why was the crowd grumbling at Jesus? What does this say about their beliefs?

What changed in Zacchaeus?

Apply

How is our culture like Zacchaeus? How are they unlike him?

How can we be on the look out for people like Zacchaeus, people that are searching for God?

How does the love of Jesus changed how we see the world and our mission?

What are some areas of your life that you believe Jesus is leading you to "jump" in? Where is he leading you to be audacious?

Close

In the closing of our service this Sunday, we asked people to write down something they are being led to move forward in. If you wrote something down, please share what you feel God is leading you. If there are many in the group who did not have that opportunity on Sunday, please give people space to think on it before sharing.
