## **STARTER**

When you think of the word “worship” what are some of the first thoughts or images that come into your mind? There are no right or wrong answers.

Tonight we want to talk about what it means to worship the Lord and how we have called to be creative worshippers as the church.

## **GETTING INTO THE SCRIPTURES**

Please turn in your Bible to Psalm 19:1-14.

In this passage, how do we see the heavens and sky worship God?

What does this teach us about worship?

In Psalm 19:7, the psalm shift to talking about the law, truth, and fear of the Lord. How is this connected to worship?

Please read Romans 12:1-2. What does this passage teach us about worship?

## **MAKING IT REAL**

Based on what you have read tonight, what does it look like for a person to worship Jesus? What marks that in their life? How would you be able to tell the difference between someone who worships Jesus and someone who does not?

How might the Lord be leading you specifically to worship Him more fully?
