## PURSUING GOSPEL UNITY

### **July 30 – Gospel Pursuit**

Core Value: We believe in a “go” mentality. We will always strive to go to others, before we invite them to come to us.

Scripture: Luke 15:3-7, John 1:14, 1 John 1:3

### **Open**

What was it like for you when you first heard about Jesus? Who shared the Gospel with you? Were you open to it?

On Sunday, we looked at Luke 15:1-10 in which Jesus tells two stories to illustrate the way that God loves people that are far from him. Let’s take some time to dig into these passages and learn how God calls us to pursue others.

### **Reflect**

Read Luke 15:1-10.

Why did Jesus share these stories? What does this tell us about who was a priority to Jesus?

What is Jesus trying to communicate to the Pharisees and those listening to these stories?

### **Apply**

As you think about some of the people you know that are far from God, what kind do you think it will take for them to break through and come to faith?

In your life what do you think it will look like to go after the “lost sheep” or look for the “lost coin?”
